

BioLink Life Sciences, Inc.

Accelerating FDA Approval of Client Products

250 Quade Drive, Cary, NC 27513

BioLink Selected as One of “Top 100 Small Businesses in North Carolina.”

Cary, N.C. – May 29, 2009 – For the second consecutive year, Business Leader Media has ranked the “**Top 100 Small Businesses in North Carolina**.” These businesses were chosen from over 284 nominations and represent companies that have demonstrated significant business achievement and community involvement within the state of North Carolina. Business Leader limited the criteria to include only companies (1) with 100 employees or less and (2) that do the majority of their business in North Carolina. Each company's 1-year revenue growth, 5-year revenue growth, business achievements, and community involvement were evaluated.

Today Business Leader Media announced that **BioLink Life Sciences, Inc. has been selected** as one of the “**Top 100 Small Businesses in North Carolina**.” In her e-mail to BioLink’s President Deanna Nelson, Vivica Smith-Hall, publisher for Business Leader Media, noted. “You and your company have been selected as a shining example of a successful small business.” The Company’s ranking will be revealed at ceremonies to be held at the Sheraton Raleigh on June 17, 2009.

BioLink Life Sciences, Inc. is a contract research company that works with biomedical, pharmaceutical, biotechnological, and nutritional supplement companies to accelerate FDA approval of their products. BioLink provides custom synthesis, GMP analysis, and chemistry solutions that significantly reduce the time and cost of development and facilitate commercialization, marketing, and distribution of client products.
